

Flipping charity

by KATIE BASTIANS

UNITING Care West is on the hunt for volunteers to help flip pancakes on Shrove Tuesday, February 24.

Money raised from selling \$2 pancakes outside Wesley church on the corner of William and Hay Streets goes to the underprivileged.

Shrove Tuesday is the day before Lent starts, so if you're Catholic, take this opportunity to stuff

your face before your 40 days of fasting.

Uniting Care's pancake day last year involved more than 3400 groups across Australia cooking, tossing and topping 310,000 pancakes to raise funds and poverty awareness.

To volunteer for a few hours on Tuesday morning or for more info call Michelle Snowden on 9355 9023.
